

# Zero2One Plan

**Client: ajay chaudahry**

Advisor: ajay

## Introduction to AWAKEN

We enthusiastically welcome you to a beautiful financial journey programme AWAKEN. This plan is built around the timeless principles of discovering the inner wealth first which paves the way for outer abundance. This is not a get rich formula quickly. Rather a sustained program which align inner purpose with outer goals and truly "Awaken your abundance".

## 1. Awareness

The first step of this plan is to be AWARE of current situation. You and your advisor both need to understand your background and current state of affairs. Your financial journey needs to accommodate the current situation. This step is also the realization that you are already abundant and then investment doesn't seem like a sacrifice.

## 2. Wings

Goals drive us, goals motivate us and goals make us enthusiastic. Setting goals is an art. Goals are most effective when they are not for ego satisfaction. Choose your goals accordingly to your values. We suggest to discuss with your family members especially with your spouse. Setting goals and aligning your investments with your goals has been proven as one of the best way of developing a robust portfolio.

### 2.1 Selected Goals

| Goal Priority | Goal Name      | Goal Plan Year | Goal Start Year | Time Horizon | Goal End Year |
|---------------|----------------|----------------|-----------------|--------------|---------------|
| 1             | Emergency Fund | 2025           | 2026            | 1            | 0             |

3. Alertness

Building wealth requires continuous savings and savings requires you to always remain vigilant towards your income and expenses. Taking stock of your money inflows and outflows magically improves your saving potential and your goals give you enough passion to complete your saving targets.

4. Knowledge That Matters

Not every knowledge is power. You have to determine which knowledge is useful and which is simply waste of time and energy. The good news is that for being a successful investor, you don't need to know a mountain of knowledge. And whatever you need to know is only about yourself and your goals. Isn't it liberating to know that self-knowledge is all that you need to become a successful investor.

- I. Your risk tolerance
- II. Goal's time horizon
- III. Your risk capacity
- IV. Your risk requirement

With these feedback, we can develop right asset allocation (allocation between Equity and Debt) for each goals.

|-----------------------|-------------------------|
| Your Risk Tolerance   | Moderately Conservative |
| Your Risk Capacity    | Moderate                |
| Your Risk Requirement | Low                     |

## 5. Execution With Precision

Clearly defined goals needs careful and precise execution. Not every goal may be worth pursuing. You need to define the priority of your goals and deploy the resources carefully. Your goals need constant monitoring and take the timely decision so that you remain ready for any positive or negative surprise of the market. A clear cut execution road map makes your financial journey fruitful and enjoyable.
